Bylaw I Coordinators

Coordinators are responsible for upholding the values of the Collective as defined in Article III of the Constitution. They are elected twice a year as per Bylaw III, and each position is open at only one of those two elections.

If they fail to uphold the Collective's values, a warning may be issued by a majority vote of the coordinators. Three warnings cause the coordinator to be removed from their position.

A coordinator may voluntarily vacate their position by notifying the other coordinators.

Vacant positions may be temporarily filled by any member through a majority vote of the current coordinators. Temporary coordinators abide by the same rules and guidelines as other coordinators.

There are no limits on the number of terms a coordinator may serve.

What follows is a complete list of coordinator positions for the Collective. The election in which the position is open is indicated as "Summer" or "Winter".
